

A photograph showing several business professionals in a meeting. They are gathered around a table, looking at a tablet computer held by one person. Another person is pointing at the screen. There are documents with charts and graphs on the table, and a pen is visible. The scene is brightly lit, suggesting an office environment.

## GSA Alliant 2

Alliant 2 is an unrestricted, indefinite-delivery, indefinite-quantity (IDIQ), multi-vendor award with a contract ceiling of \$75 billion. This Government-wide Acquisition Contract (GWAC) aims to provide cutting-edge Information Technology (IT) solutions and services for agencies across the federal landscape. It is aligned with the Federal Enterprise Architecture (FEA) and the Department of Defense Enterprise Architecture (DODEA) to ensure that it conforms to all current IT definitions and offers flexibility in contracting types to help improve risk mitigation. Alliant 2 has earned a “Best in Class” status from the Office of Management and Budget (OMB).
